

TORONTO CABINETRY-10 BY 10 KITCHEN PRICE

Check the following for what is included in a 10 by 10 kitchen. Please note that the kitchen price always determines on the design and your requirements. For example, the following kitchen diagram uses 30" high wall cabinets, if your kitchen design uses 36" high wall cabinets, price will increase. Also the following kitchen diagram did not count the price of accessories, such as fillers, crown moldings, fridge panels, etc. The following 10 by 10 kitchen price does not include cabinets assembly, cabinets installation, countertops, handles, sinks, etc.
